

Monday September 9<sup>th</sup> the StoneSpring Emergency Department will be opening at 0700hrs

The landing site is located at 24570 Gum Spring Road Dulles, VA. (A field behind the ED)

-Coordinates: N38°56'28" W 077°32'48"

-It's a 200 X 100 field with less than 5% gradient. There are power lines to the south (along Rt. 50,) there is a tree line to the east, the one story building is to the west, and a retention pond to the north.

-Security or another trained person (all RN's and techs have been through basic LZ class) will be present for all landings. LZ will be marked with cones during the day and orange blinking LED lights at night.

-A windsock will be present on the LZ side of the building.

-This is close to being right off the extended 30 at Dulles Airport.

#### FOR COMM CENTERS:

All Comm centers will need to contact:

-Emergency Department Nurses Station: 571-367-4410 (with an ETA)

-IF THIS LZ IS NOT AVAILABLE DUE TO FIELD CONDITIONS (excessive rain, snow, ect) the backup LZ will be set up by Loudoun County Fire and Rescue.

-Contact Loudoun County EOC: 703-777-0637

-Contact PTS for ground transport: 703-941-7025

-If PTS is not available, Loudoun County Fire will act as ground transport.
